Preview, Print, Rotate, and Distribute PDF Documents without Adobe Acrobat.. To download this software first you have to pay for it. To get the software you need to. Nuclear medicine in diagnosis of endocrine disorders and metabolic diseases of the gastrointestinal tract. Neuroendocrinology has undergone major advances in the past 20 years. Currently, neural processes are recognized to play an important role in development and function of the pituitary and hypothalamic-pituitary-thyroid system. Radioimaging, new ligands and dosimetry techniques have facilitated imaging of the major mediators of this system. This article reviews the use of radioimaging in the diagnosis of endocrine disorders and metabolic diseases of the gastrointestinal tract.Dormition of the Mother of God Church (Fort Leavenworth, Kansas) The Dormition of the Mother of God Russian Orthodox Church is a parish church of the Russian Orthodox Church, located on the grounds of the US Army's Fort Leavenworth, Kansas. The church also works as a mission church for Fort Riley and the Fort Riley military base. A list of notable parishes in the United States is provided at External Links.
