examples for over 20,000 non-transitive verbs. For example, “to visit” is a verb that is transitive in English, but is not transitive in Spanish. Ultralingua comprehensively covers all of the bases for helping you learn Spanish. Even though you can use this dictionary right now, it can grow and evolve over time. This is why Ultralingua offers you the choice to export your dictionary. This provides you with the flexibility to create, print, and share your own, personalized dictionary for optimal use.

Ultralingua offers a unique idea of what constitutes a verb. For example, you will find the verb “to visit” under the category “visto” (visit). Because this word does not have a main verb that denotes an action, Ultralingua defines it as a non-transitive verb and categorizes it under the broader category “visto.” Adjective + adjective + noun = Adjective + noun For example, do you know how to conjugate “tener”? (“tener” conjugation) Yes, you have made your way to our verb conjugation guide. However, there is something you might not have realized.
